

NOTE: Please review carefully the 2015-16 school year bus schedule. In order to operate a safe, more efficient student transportation system two routes have been removed.

- The Hippo route, serving Sunridge Canyon and Golden Eagle Blvd has been eliminated and absorbed by the Squirrel route.
- The Kangaroo route, serving Firerock east has been eliminated and absorbed by the Bluebird route.
- Portions of the Kangaroo route serving west of Saguaro Blvd and south of Kingstree Blvd. and east of Saguaro Blvd north of Panorama Dr. have been eliminated and absorbed by the Owl and Bookworm routes.

Please contact the Transportation Department (John Flynn) at 480-664-5310 with any questions.
