Old Business

Memberships-

We have new memberships since last month, no plans for a new push. After fall break we will advertise to the general public and businesses for PTO. We will highlight businesses on our website.

Apex Recap-

Teachers favor the firefighter's participation and want to do the run at the same time next year. We would like to do the APEX run ourselves next year so we get 100% of the funds. We will re-look at it in the spring.

School Store-

Up and running, we already had to replenish.

Teachers Certificates-

Notes went out and reimbursement forms were attached to the letter.

Room Mom's-

We need to compile a list so we can get out book fair volunteers.

New Business

Kindle Raffle-

We have 1 Kindle for every grade. MMES would ideally like 2 weeks, so do at the end of October. We will move forward with getting it going at FP/MS.

Booster Party on 9/23-

PTO to have a table there, starts at 5. We will help promote the HS and the district. We can offer our partnership for a banner at all home games.

Stuffing Party/Apex collection party-

9/22 at Tara's, bring your laptops. The current address list is old, need to update.

PTO Social-

Set up at 5pm at FP. HS kids are volunteering their time to watch kids. Mary is getting the pizzas. Nicole will get the water.

Book Fair-

Everyone needs to be available. Omar will do the openings at FP/MS. Dudes and donuts on 10/4.

Sponsorships-

We have 7 new sponsors. Nicci needs to collect the money. Dwight is the title sponsor.

Robotics shirts-

Look into Matt Keating for shirts.

Calendar Committee-

Need a rep. from each school. Toni and Astacia agreed to represent.

Halloween in the Hills-

We want the same spot as last year. We won't be at the 1st meeting.

Golden Eagle Foundation-

Important to build rapport with group to maximize money. Meeting with president to discuss ways.

Guest Speaker- Cain Jagodzinski (HS Principal)

He would like to collaborate with all schools so people feel welcome when coming to the HS. He feels they are lacking academic support at the HS and would like to have PTO to all the way through 12th grade to help support the academics and the teachers. He is not looking so much for funds. He would like to promote pride cards so may need financial support for this. Oct. 7th is the next movie night at the HS.

Media Update

Mary needs to get her stuff in. We need to refresh PTO logo on our website. Would like to get PTO board shirts. School reps. to keep Nicci updated with what is going on. We will try to get link to other town groups on our website. We belong to the Chamber, we need to start going to the meetings. The newspaper would like a list of dates every 2 weeks.

E-Blast-

Tara needs the information for the book fair and kindle raffle to add to the blast.

Treasurer

We have 34,075.53, this does not include the \$4000.00 out to Coda Kid or teacher certifications. We have Apex, Dwight's and other sponsorships to come in. Omar registered with corp. comm. Omar and Nicole sat with Dr. Allen with where our money went last year. Dr. Allen monitoring all our funds and what gets spent.

School Updates

McDowell Mountain-

Site council- they will promote the PTO social. They are excited for the book fair. It was asked where the money from the coin war goes, they said some funds go to the books for underprivileged kids. We would like to be able to provide for our own underprivileged.

Apex feedback- firetruck was the highlight. Some problems, kids with money had to take home and do online. Can they do a POS so they can get their toy immediately? MD does not have conferences finalized so book fair issues.

As far as T shirts go they loved the logo but want V neck shirts.
